Manoj P

AI & ML Student | Web Developer | UI/UX Designer

About Me

I am a first-year Artificial Intelligence and Machine Learning student from Hassan, Karnataka. I focus on building real-world projects and continuously improving my skills in web development, UI/UX design, and AI-based solutions.

Skills

- HTML
- CSS
- JavaScript
- Python (Basics)
- UI/UX Design

Projects

Personal Portfolio Website – Modern responsive portfolio using HTML, CSS, JavaScript.
Responsive Website – Multi-device compatible design with clean UI.
AI Voice Calculator – Python-based voice command calculator with real-time output.

Education

B.E in Artificial Intelligence & Machine Learning (1st Year)
